## LOAN SPEEDING UP

CANVASSERS OF POLK TOWNSHIP MEET FINE SUCCESS YESTERDAY

## MANY ADD TO AMOUNTS

**Not a Single Refusal to Buy Was Reported.--Three Days More in Which to Make the Quota.**

With three days left in which to make the goal of $296,300, the second canvass for subscriptions to the Fourth Liberty Loan is meeting with gratifying success and if the progress made yesterday by the committee is kept up the amount will be over-subscribed by Saturday night.

"Everywhere the committee called yesterday they were met with a fine reception, and in almost every case—in fact I can say there were no exceptions—subscriptions were received. Many who already subscribed took additional amounts," said Chairman W. C. Pierce this morning. Members of the committee are in great spirits today over their reception and the work accomplished and expect to make an even better record in the next three days than yesterday.

These reports are gratifying to the Liberty Loan organization and to the people of Nodaway county who are backing the government and its military and naval forces to win the war. They give assurance that Nodaway county is not going to fall down in doing its full duty in this big war task. But it must be remembered that this is no time for relaxation of effort on the part of the workers in obtaining subscriptions, or on the part of the citizen in giving subscriptions to the bonds.

President Wilson's reply to Germany makes it clear that we must keep on with the war until American arms have been victorious. The boys at the front have not slackened in their drive against the forces of the Hun and it is up to us to increase our efforts in order that the winning be complete.

## A SHORTAGE OF MILL FEED

**Government Orders None Sold Only to Feeders of Dairy Cattle, Poultry, Young Pigs and Calves.**

With the country facing a shortage of mill feed, shorts, chops, etc., County Food Administrator F. P. Robinson is in receipt of instructions from Washington to require a pledge from all dealers that wheat mill feeds will be sold only to persons who are feeding dairy cattle, poultry, young pigs and young calves with a weekly bran mash for work animals. No other stock may be fed mill feed rations. Blanks are being mailed to all dealers in the county which must be returned to the Food Administrator. The shortage of these products requires that immediate action be taken to insure a supply for the purposes indicated and dealers in turn will require a pledge from consumers that they will feed it to no other stock than named in the order.

## MARRIED ON HIS DEATH BED

**Rep. Jacob E. Meeker of St. Louis, Succumbs to Attack of Pneumonia.—Weds His Secretary.**

St. Louis, Oct. 16.—Congressman Jacob E. Meeker of St. Louis, died this morning of pneumonia. Realizing death was near he was married last night on his death bed to Mrs. Alice V. Redmon, widow, who was his secretary. Mr. Meeker was formerly a preacher and gained notoriety when he backed the liquor interests.

Congressman Meeker made a political speech in Maryville in 1912 in the interest of the Republican party and scored several Republican leaders in this county who were favoring Theodore Roosevelt for president.

## WILES FUNERAL TOMORROW

**Body of Virgil A. Wiles to Arrive Tonight From Camp Eustis, Va.—Home Guards in Charge.**

The remains of Virgil A. Wiles who died of influenza last Friday at Camp Eustis, Va., will arrive in Maryville this evening on the Wabash. Funeral services will be held tomorrow afternoon at 2 o'clock at the home of his parents, Mr. and Mrs. T. A. Wiles, two miles north of Maryville. The services will be held in the open. They will be conducted by the Rev. C. Emerson Miller of the First Christian church, and the Rev. W. C. Ferguson of the Baptist church, the young man being a member of the Baptist church. Burial will take place in the Oak Hill cemetery.

The Maryville Home Guards will have charge of the services and will act as pallbearers.

Relatives here for the services are Mr. and Mrs. Eugene L. Graves of Muskogee, Okla.; Mrs. John C. Smith, of Clear Lake, Ia.; Mrs. Rambo of Kansas City; Dr. G. L. Wiles of Kindrich, Okla., and Mr. and Mrs. Alex. Fraser of Akron, Colo.

Mr. Wiles was 24 years old and enlisted for military service at Muskogee, Okla. He was a member of Battery F, 36th Regiment, C. A. C.

The remains are accompanied by a military escort.

## NO NEW CASES ARE REPORTED

**Influenza Epidemic Is Being Kept Well in Hand.—20 Cases Are Now Under Quarantine Rules.**

The influenza situation today remains unchanged with no new cases reported this morning, according to Dr. F. M. Ryan, city physician. There are now about twenty cases under quarantine, Dr. Ryan said, and with one or two exceptions all have the disease in mild form.

In one or two homes several members of the family are sick and trouble is being experienced in securing nurses or someone familiar with nursing to help with the patients.

With the Red Cross having been asked to furnish one hundred masks some alarm has been felt that the disease was spreading and that there was more of it than was indicated in the reports to the city physician.

Such is not the case. The order for masks was a precautionary measure and also to provide nurses and others who wait on the patients with protection against contagion. Wearing a mask, a nurse, or any member of the family may attend the patient safely with little chance of contracting the disease. With a number of cases being reported in various parts of the county it was also the intention to have sufficient masks on hand to meet all requirements, in the event they should be needed.

## J. H. VAN HORN, 72, DIES

**Had Been an Invalid for the Past Two Years. Funeral Arrangements Await Arrival of Children.**

J. H. Van Horn, 72 years old, died at 10:15 last night at his home 701 East First street. Mr. Van Horn had been an invalid for the past two years.

No arrangements will be made for the funeral until the children living at a distance have been heard from.

Mr. Van Horn and his family came to Maryville about eighteen years ago to make their home. He is survived by his wife and 7 children. They are Mrs. Earl Greenwood of Rock Island, Ill.; G. H. Van Horn of Leavenworth, Kan.; Mrs. W. E. Babler of Beaver Dam, Wis.; Andre Van Horn of St. Joseph; Wiley Van Horn, who is in the Naval Training Station at New York, Mrs. Earl Sturm, living near Conception and Mrs. Fred Harbison of Maryville.

## MILITARY ESCORT TO GRAVE

**Firing Squad From Home Guards Attended Funeral of Wilbur Dowis of Sheridan This Afternoon.**

The funeral of Wilbur Dowis, son of Mr. and Mrs. Bert Dowis, whose death occurred Sunday at Camp Funston following an attack of influenza, was held this afternoon from the family home near Sheridan. Eight members of Company C, Home Guards including the firing squad provided a military escort for the body from the home to the cemetery. Those who went were Sergt. Fred P. Robinson, Bugler Ervil Stafford, Fred French, Solon Clark, H. E. Miles, Frank Schumacher, Fred Diss and Dick Hotchkin.

## TO CALL '18 CLASS?

QUESTIONNAIRES TO YOUTHS AND MEN BETWEEN 37 AND 46

## HOLD OCTOBER QUOTAS

**Influenza Conditions Cause Indefinite Suspension, But Unusual Call Is Expected To Be Made.**

Washington, Oct. 16.—Classification by local board men of the new draft registration has been so rapid that questionnaires soon will be sent to youths of 18 and men between 37 and 46 years of age. Though required to register on September 12, no action had been taken as to these classes because of the intention to defer calling them for service until all other available material has been exhausted, and local boards were ordered not to send them questionnaires. With their enrollment the work described by Provost Marshal General Crowder as the "classification of the U. S." will be complete.

Influenza epidemic conditions are such, in the opinion of the general staff, as to continue the indefinite suspension of the October draft calls, but it is intimated that the next call will be of unusually large proportions. Under new regulations which have been issued by the general staff governing the classification in the army of men with physical defects men fit for general service are to be noted as Class A men on military records, while men fit for such service if cured by operation or other treatment are to be noted as Class B. Below these are established Class C-1, in which men fit for "general limited service," which is defined as being in the service of supplies overseas, or in general service within the United States; and Class C-2 to certain men fit only for restricted duty within the United States, in capacity approved by medical officers. Class D is for men unfit for any service.

## NEWS OF PRISONER BROTHER

**Daniel Mowry of Graham Receives a Card From Lieut. Mowry, Prisoner in German Camp.**

Daniel N. Mowry of Graham, received a card this morning from his brother, First Lieutenant Otto L. Mowry, who is a prisoner in the German camps. A message was received about two weeks ago from Lieut. Mowry, stating he had been taken prisoner, but gave no details.

The card received this morning is an official card, filled out in the young man's own writing and states "Prisoner of war in Germany. Wounded but not serious. Taken prisoner August 22. Ft. Lieut. O. L. Mowry, 308 Infantry. Do not reply. Await further information."

The card is dated Sept. 30. The young man has been in active service in France since last December.

## GO LIMIT TO SMASH GERMANY

**The Largest Deficiency Appropriation Bill Ever Presented Congress up Today.—Totals $6,152 Millions.**

Washington, Oct. 16.—With the largest deficiency appropriation bill ever presented to an American congress, the United States this afternoon let the whole world know that she is prepared to use her vast financial resources to the limit to smash Germany. For the American military establishment under the new man power program there was recommended a total of $6,152,000,000.

## KILLION FUNERAL TODAY

**Body of Young Soldier, Victim of Epidemic, Buried at Gaynor This Afternoon.**

Funeral services for Karl Killion, the son of Mr. and Mrs. William C. Killion, living northwest of Parnell, who died Sunday morning at Camp Funston, Kan., were held at 3:30 o'clock this afternoon at the Christian church of Gaynor City.

The service was conducted by the Rev. W. H. Rust, pastor of the Christian church of Burlington Junction and a funeral escort from the Maryville Home Guards attended. The body was buried in the Gaynor cemetery.

The body arrived over the Great Western at Parnell this morning. The young man was a victim of the influenza epidemic.

## HOLD CRAIN RITES TOMORROW

**Body of Young Soldier Arrives Today From Fort Riley.—Services at Bethany Church Tomorrow.**

Funeral services for Chester Crain, who died with pneumonia Saturday evening at Fort Riley, Kan., will be held at 2:30 o'clock tomorrow afternoon at the Bethany church, conducted by the Rev. Mr. Olson, pastor of the Christian church of Barnard.

The funeral address will be made by Attorney Charles McCaffrey of this city, and an escort from Company C, Maryville Home Guards, will have a part in the services. The body arrived in Barnard at noon today and was taken to the home of the young man's parents, Mr. and Mrs. Edward Crain, living near Barnard. A brother of the deceased, Alfred Crain, who is also ill with pneumonia in the hospital at Fort Riley is improved and will recover.

The body of the young soldier will be buried in Bethany cemetery.

## THE END IS IN SIGHT

KAISER SEES "RETRIBUTION" FOR GREIVOUS WRONGS

## WORLD ASKS VENGEANCE

**Discouragement Has Taken Hold of German People and War's End Is Not Far Distant.**

(By W. C. Van Cleve)

Washington, D. C., Oct. 12, 1918.

There has been no good reason for discussing war prospects lately. Gen. Foch, aided by Generals Pershing, Haig, Petain and others, have furnished all the news and arguments that Americans cared to read. When I last referred to the war, some weeks ago, I suggested that, when the little band of American marines and regulars stopped the Germans in their victorious march at Chatean Thierry, it was the definite beginning of the end. Six thousand of the eight thousand marines, engaged in that desperate struggle, fell, and a corresponding proportion of their gallant aides of the regular army fell, but their work will endure for all time. The French were broken and the Germans had begun a triumphant march straight for Paris.

I suggested also that, within a few days, some important operations would be begun by the Americans in the south end of the line. General Pershing's capture of the St. Mihiel sector followed and much history was made there. It came about sooner than was expected here, by a few days, and was a realized fact when published. Since that day, each day's developments have spoken for themselves.

Today "peace" looms large in the skies and Washington stands stunned and almost dumb by the rapidity of recent developments. The German reply to President Wilson's note of enquiry to the Kaiser has been flashed here but official Washington is suspicious and refuses to believe until shown the real official copy of the German reply. It is safe to say that peace is in sight though, as some one has put it, it may not yet be within reach.

The advance report of the reply of the "German Government" which, for the first time, leaves out the word "Imperial," is, on its face, a complete accentance of the President's fourteen fundamental conditions enunciated last January. These conditions were made at a time when peace was not to be thought of and do not contain much that must be considered and agreed upon before any world peace can be established. They contain no suggestion of indemnities, for instance, but they do contain the condition that Germany must evacuate all conquered territory and prepare to deal fairly with all and with the cards face up on the table. The German reply seems to accept these terms and, while trickery and diplomatic juggling may be hid some where in the official document, it is difficult to see how Germany can afford to give up all occupied territory if she intends to continue the war.

There is no question but Germany is in desperate straits. Her armies are retreating and she has not been able to find a place to lodge long enough to reform and reorganize. Pestilence and famine are abroad in the land. Discouragement has taken hold of the people and the armies. The recent peace notes made in the midst of a drive for a new popular loan has brought about panic among the moneyed classes and bonds are being sold at ridiculous discounts more rapidly than they are being purchased.

The Kaiser sees written in large letters on the wall the word "retribution" for the innumerable wrongs committed and that in the very near future. He wants peace to save his kingdom while it is yet powerful. The world cries for vengeance and just punishment and therein lies a grave difficulty. With a cry for peace in one hand the German continues to go on burning, pillaging, and destroying property and in sinking defenseless men and women into the bottomless depths without notice.

An armistice without sufficient guarantees would enable Germany to find new defense positions and a new organization that will call for almost endless suffering and bloodshed yet. Therein lies a grave danger. On the other hand, there is no possible reason to think that President Wilson and the Allies will be caught off their guard. They know the situation better than any living individual on the outside and they will be equal to the emergency. It may be too much to hope for peace at once but there is an unmistakable light in the far east that will eventually develop into a glorious sunrise. In the meatime buy a bond.

## PEACE RIOTS START

MOBS IN BERLIN SHOUT "DOWN WITH WAR AND THE KAISER"

## PANIC IN MONEY MARKET

**War Council Is Called to Consider Mobilization and Concentration of the Nation's Resources.**

Amsterdam, Oct. 16. — Peace riots have broken out in Berlin. A mob marched through the streets shouting "down with war, the Kaiser and Hindenburg." A pitched battle was fought between rioters and the police. Statues of the Hohenzollerns were smashed and the residence of the burgomaster stoned. At the same time it was reported serious mutinies had broken out in the German army in Limburg.

London, Oct. 16.—Panic prevails in German banking circles and upon the Berlin stock exchange as a result of President Wilson's reply to the latest German peace note, said a Central News Amsterdam dispatch. It added that the American answer had created a most unfavorable impression throughout Germany.

President Wilson's declaration about leaving the terms of an armistice to the military authorities was said to have created doubt as to the good faith of the American executive. It is understood in Amsterdam that the supreme German army command will hold a council of war at the end of the week to deliberate on mobilization and concentration of the nation's resources and to consider raising the military age limit.

Copenhagen, Oct. 16.—The new Turkish cabinet headed by Tewfik Pasha has collapsed, said dispatches received here today.

**W. C. T. U. MEETING POSTPONED**

**Mrs. M. H. Armour Cancels Public Speaking Date in Maryville.**

Owing to the quarantine affecting all public gatherings, Mrs. Mary Harris Armour of Georgia, who was to have spoken in this city at the First Christian church October 21, under the auspices of the W. C. T. U. has cancelled the date.

The meeting may be held at a later date.

**CHILD DIES WITH PNEUMONIA**

**Funeral Services To Be Held at Parnell Methodist Church.**

Virginia Surplus, the six year old daughter of Mr. and Mrs. John Surplus, living near Parnell, died at ten o'clock last night with pneumonia, which followed an attack of influenza.

Funeral services will be held at the Methodist church of Parnell tomorrow afternoon. Besides her parents, the child is survived by nine brothers and sisters.

**BUYS ABERDEEN ANGUS CATTLE.**

**Hal Hooker Attends Big Iowa Sales This Week.**

H. T. Hooker left Monday night for South English, Ia., where he will attend a big Aberdeen Angus cattle sale. He will also attend a sale at Holbrook, Ia., and expects to purchase some cattle for the herd at the C. D. Hooker & Son farm south of the city.

Mr. Hooker was accompanied by his wife and after the Iowa visit they will go on to Marshall, Minn., where they will spend a couple of weeks visiting Mr. Hooker's uncle, W. J. Hooker, and family.

**100 Died in Railway Wreck.**

Washington ,Oct. 16.—Confirmation of a reported railway disaster in Roumania in which one hundred persons were killed and two hundred were injured reached Washington today. The Bucharest express was wrecked near Piagra when a railway bridge that had been weakened by heavy rains collapsed.

## GAINS EVERYWHERE

BELGIANS HAVE PUSHED TO WITHIN ELEVEN MILES OF OSTEND BASE

## QUITTING CHAMPAGNE

ALL ROADS LEADING FROM THIS SECTOR TOWARDS MEZLEDES CROWDED WITH CONVOYS

## TRYING TO STOP THE YANKS

**On Both Sides of the Meuse the Huns Have Rushed up Reinforcements in Effort to Stem the Advance.**

Paris, Oct. 16.—The Germans are retreating now from the Champagne district along all the roads leading towards Mezledes are crowded with convoys, information stated today. The fall of Niezy-le-Comte, eighteen miles east of Laon has enabled the French to make further progress, threatening vital German points of communication French airmen have bombed Loan and Nois.

London, Oct. 16.—The allied armies on the Flanders front are steadily extending their gains east and northeast of Ypres and it is estimated today the advance exceeds seven miles at some points. Menin is entirely in British hands. The French have reached Llch tervelde, thirteen miles east of Dixmude. The Belgians have advanced to Winnedelle Wood, eleven and a half miles southeast of Ostend.

London, Oct. 16.—The British gained slightly during the night in the Douai and Lille sectors, the war office announced today. The British are only three miles from Lille and are virtually in the outskirts of Douai.

Washington, Oct. 16.—The Germans have rushed reinforcements to both sides of the Meuse in an effort to stem the advance of the Americans who continued to gain ground, General Pershing reported to the war department today in his communique for October 15.

## CELEBRATE LIBERTY DAY

The children of the Harmon school district, southeast of Barnard, celebrated Liberty Day Saturday by having an all day meeting which began with contests and athletic games in the forenoon A basket dinner was served at noon by the patrons and friends of the district who joined with the school children in the celebration.

During the afternoon a fine program was enjoyed. The singing of the national hymns by the entire crowd was one feature. Rev. Olson, pastor of the Methodist church of Barnard, made a patriotic address and Mr. Carmichael of Barnard, a veteran of the Civil war, made an interesting address. The district went "over the top" in the liberty loan drive and the celebration was participated in by practically every one in the district. Miss Blanche Erickson is the teacher.

**Will Van Cleve Improving.**

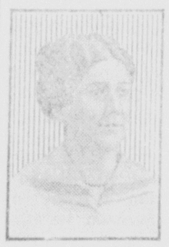
# WOMAN'S NERVES MADE STRONG

## By Lydia E. Pinkham's Vegetable Compound.



Winona, Minn.—"I suffered for more than a year from nervousness, and was so bad I could not rest at night—would lie awake and get so nervous I would have to get up and walk around and in the morning would be all tired out. I read about Lydia E. Pinkham's Vegetable Compound and thought I would try it. My nervousness soon left me. I sleep well and feel fine in the morning and able to do my work. I gladly recommend Lydia E. Pinkham's Vegetable Compound to make weak nerves strong."—Mrs. ALBERT SULTZE, 603 Olmstead St., Winona, Minn.

How often do we hear the expression among women, "I am so nervous, I cannot sleep," or "it seems as though I should fly." Such women should profit by Mrs. Sultze's experience and give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial.

For forty years it has been overcoming such serious conditions as displacements, inflammation, ulceration, irregularities, periodic pains, backache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.

# Spanish Influenza--What It Is And How It Should Be Treated

**Nothing New—Simply the Old Grip, or La Grippe That Was Epidemic in 1889-90, Only Then It Came From Russia by Way of France and This Time by Way of Spain.**

**Go to Bed and Stay Quiet—Take a Laxative—Eat Plenty of Nourishing Food—Keep Up Your Strength—Nature Is the "Cure."**

ALWAYS CALL A DOCTOR.

NO OCCASION FOR PANIC.

Spanish influenza, which appeared in Spain in May, has all the appearance of grip or la grippe, which has swept over the world in numerous epidemics as far back as history runs. Hippocrates refers to an epidemic in 412 B. C. which is regarded by many to have been influenza. Every century has had its attacks. Beginning with 1831, this country has had five epidemics, the last in 1889-90.

There is no occasion for panic—influenza itself has a very low percentage of fatalities—not over one death out of every four hundred cases, according to the N. C. Board of Health. The chief danger lies in complications arising, attacking principally, patients in a run down condition—those who don't go to bed soon enough, or those who get up too early.

THE SYMPTOMS.

Grippe, or influenza as it is now called, usually begins with a chill followed by aching, feverishness and sometimes nausea and dizziness, and a general feeling of weakness and depression. The temperature is from 100 to 104, and the fever usually lasts from three to five days. The germs attack the mucous membrane, or lining of the air passages—nose, throat and bronchial tubes—there is usually a hard cough, especially bad at night, often time a sore throat or tonsilitis, and frequently all the appearances of a severe head cold.

THE TREATMENT.

Go to bed at the first symptoms, not only for your own sake but to avoid spreading the disease to others—take a purgative, eat plenty of nourishing food, remain perfectly quiet and don't worry. Quinine, aspirin or Dover's Powder, etc., may be administered by the physician's directions to relieve the aching. But there is no cure or specific for influenza — the disease must run its course, but Nature will throw off the attack if you only keep up your strength. The chief danger lies in the complications which may arise. Influenza so weakens the bodily resistance that there is danger of pneumonia or bronchitis developing, and sometimes inflammation of the middle ear, or heart affections. For these reasons, it is very important that the patient remain in bed until his strength returns—stay in bed at least two days or more after the fever has left you, or if you are over 50 or not strong, stay in bed four days or more, according to the severity of the attack.

EXTERNAL APPLICATIONS.

In order to stimulate the lining of the air passages to throw off the grip germs, to aid in loosening the phlegm and keeping the air passages open, thus making the breathing easier, Vick's VapoRub will be found effective. Hot, wet towels should be applied over the throat, chest and back between the shoulder blades to open the pores. Then VapoRub should be rubbed in over the parts until the skin is red, spread on thickly and covered with two thicknesses of hot flannel cloths. Leave the clothing loose around the neck as the heat of the body liberates the ingredients in the form of vapors. These vapors inhaled with each breath, carry the medication directly to the parts affected. At the same time, VapoRub is absorbed thru and stimulates the skin, attracting the blood to the surface, and thus aids in relieving the congestion within.

HOW TO AVOID THE DISEASE.

Evidence seems to prove that this is a germ disease, spread principally by human contact, chiefly thru coughing, sneezing or spitting. So avoid persons having colds — which means avoiding crowds—common drinking cups, roller towels, etc. Keep up your bodily strength by plenty of exercise in the open air, and good food. Above all, keep free from colds, as colds irritate the lining of the air passages and render them much better breeding places for the germs.

Use Vick's VapoRub at the very first sign of a cold. For a head cold melt a little VapoRub in a spoon and inhale the vapors, or better still, use VapoRub in a benzoin steam kettle. If this is not available, use an ordinary tea-kettle. Fill half full of boiling water, put in half a teaspoon of VapoRub from time to time—keep the kettle just slowly boiling and inhale the steam arising.

NOTE.—Vick's VapoRub is the discovery of a North Carolina druggist, who found how to combine, in salve form, Menthol and Camphor with such volatile oils as Eucalyptus, Thyme, cubebs, etc., so that when the salve is applied to the body heat these ingredients are liberated in the form of vapors.

VapoRub is comparatively new in New York State and New England and a few Western states where it is just now being introduced, but in the other sections of the country it is the standard home remedy in over a million homes for all forms of cold troubles. Over six million jars were sold last year. It is particularly recommended for children's croup or colds, since it is externally applied and therefore can be used as freely as desired without the slightest harmful effects. VapoRub can be had in three sizes at all druggists. Adv.

# BELIEVES HE COULD WIN IN FOOT RACE

**After Four Years of Misery He Feels Splendid and Has Gained 25 Pounds by Taking Tanlac.**

"I have taken three brottles of Tanlac and have actually gained twenty-five pounds," was the remarkable statement made recently by Stephen Schneringer, head baker at the Brown Palace Hotel, Denver, Colo., and living at 801 Eighteenth Ave.

"I had dropped down in weight to one hundred and twenty pounds," he continued, "and if you had seen me the day I started on Tanlac you would not take me for the same man now. I was barely able to walk, but now I feel like I could win in a foot race with anybody. I began to have trouble with my stomach about four years ago and was told my trouble was nervous dyspepsia and I took about everything I heard of and spent a great deal of money but nothing did me any good. I was so nervous I could hardly sleep at all and I was badly constipated and lost strength and energy all the time, and the people around where I worked got to calling me 'The Crank' because I was so nervous and irritable and out of sorts all the time. At last I lost my appetite entirely and would get so sick and dizzy at times I would almost fall. Finally I simply had to give up work altogether and was down in bed for four months, unable to do a thing.

"I felt better almost as soon as I started on Tanlac. Pretty soon I was able to go back to work and I wasn't nervous and irritable like I had been. Everybody wanted to know what caused the change and I told them Tanlac, and now, a great many of the employes of the Brown Palace Hotel are taking it too. I am eating just anything I want and have been ever since the first few days I took Tanlac and my appetite is fine. I now weigh one hundred and forty-five pounds, making an actual gain of twenty-five pounds, and have never felt better in my life. I go to sleep at night as soon as I hit the pillow and am feeling strong and full of energy and can do my work with more ease than in a long time. That's what Tanlac has done for me and if there's another medicine in the world that will do so much for suffering people, I have never heard of it. My wife and children are now taking Tanlac, too, and we are all feeling fine."

Tanlac is sold in Maryville by the Koch Pharmacy. Adv.

## Watch Your Blood Supply, Don't Let Impurities Creep In

**Pure Blood Means Perfect Health.**

The average druggist has handled hundreds of medicines in his day, some of which have long since been forgotten.

But there is one that has been sold by the druggists throughout this country, for more than fifty years, and that is S. S. S., the reliable blood medicine, that is purely vegetable. Many druggists have seen wonderful results accomplished among their customers by this great old medicine, and they know that S. S. S. is one of the most reliable blood purifiers ever made. Keep your blood free of impurities by the use of this honest old medicine, and if you want medical advice, you can obtain same without cost by writing to Medical Director, Swift Specific Co., 28 Swift Laboratory, Atlanta, Ga.

# BAD BREATH

## Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.

# Help Our Government —Shop and Ship Early

THE Government requests that Christmas shopping be distributed through the months of October, November and December.

Especially important is it that you send the gift things to the boys "over there" soon, as you know how long it takes to get even letters back and forth. Begin now to send the Christmas packages to the boys—they will be disappointed if they fail to get their package by Christmas.

We have arranged to co-operate with the Government on this Nation-wide movement and have a majority of our Christmas stocks here. Not all of these stocks are on display as yet, but the items that will be wanted for the soldier boys are on display and many are now making selections and getting the packages ready to send.

Here are some of the items for soldiers we have assembled—they are in khaki cases:

—Trench Mirrors
—Writing Sets
—Smoking Sets
—Sewing Sets
—Clothes Hangers
—First Aid Kits
—Soldiers' Stationery
—Military Brushes
—Testaments
—Combs
—Small French Text Books
—Kits for various items
—Fillings for kits of all kinds
—And many other items

Keep up the Christmas Spirit—Do It with Holiday Greeting Cards.

When you talk about the war, talk up, not down. When you think about the war, think victory. When you write letters, dip you pen in sunshine. Never miss a chance to raise the spirits of the nation even one degree.

Brave thoughts are bayonets. Words of cheer are trains of powder that run straight and swift to the enemy lines. Let's do our part by keeping the boys cheered up.

Send them some of the greeting cards which we have just received. They are clever creations with a message of cheerfulness for the boys regardless of the branch of service they are in. See this assortment now on display in the center aisle.

**THE WAR INDUSTRIES BOARD**
Washington, D. C.

REQUESTS:

1—The public to distribute its Christmas Shopping over October, November and December, in order to relieve the transportation facilities of the country from a congestion in December, which would be so hurtful to the interests of the Nation that it cannot be permitted.

2—That customers make selections in the store whenever possible.

3—That children be brought to the store to be fitted.

4—That shopping be done during the early hours of the day.

5—That so far as possible customers carry their own packages.

6—That merchandise to be returned for credit be in the purchaser's possession not longer than three days.

7—That deliveries be reduced to one a day.

8—That shipments of Christmas Gifts out-of-town be made before December 5th.

There was never a time when the sacrifices and the help of women were more appreciated than at the present time. Women should learn war-nursing and nursing at home. There is no better way than to study the new edition of the "Common Sense Medical Adviser"—with chapters on First Aid, Bandaging, Anatomy, Hygiene, care of the Sick, Diseases of Women, Mother and Babe, the Marriage Relations—to be had at some drug-stores or send 50c, to Publisher, 654 Washington Street, Buffalo, N. Y.

If a woman suffers from weak back, nervousness or dizziness—if pains afflict her, the best tonic and corrective is one made up of native herbs and made without alcohol, which makes weak women strong and sick women well. It is the prescription of Dr. Pierce, used by him in active practice many years and now sold by almost every druggist in the land, in liquid or in tablets. Send Dr. Pierce, Buffalo, N. Y., 10c. for trial pkg. Dr. Pierce's Pleasant Pellets are also best for liver and bowel trouble.

SCHOOL, Mo.—"I had been troubled with woman's trouble for 15 years. I had been treated by nine of the best doctors and had about given up in despair when I decided to try Dr. Pierce's wonderful Favorite Prescription. I had been in bed for weeks, unable to stand. Before I had finished taking one bottle I could walk and attend to my household duties. I can now do all my work and tend a garden and walk five miles a day. I am thankful to Doctor Pierce and his valuable Prescription."—Mrs. CARRIE GENTRY.

JENSEN BUILDING, North Market Street.

We are now ready for business in our new store across the street from our former location.

We have one of the most modern buildings for the handling of farm produce in the State of Missouri, almost 4,000 square feet of floor space, divided in separate departments—cream room, egg room, hide room, and a raw fur room occupying an entire floor.

We think that we can now offer to the trade exceptional advantage for the handling of cream, poultry, eggs, hides and furs.

Yours for business,
CHAS. A. JENSEN, The Market St. Market.

Is My Tire Worth Repairing?

This is the first question a man asks when he brings a tire in for repair, and it is a natural one, too, for of course you don't want to invest more in a tire than you will get out in mileage.

But did you ever stop to figure just exactly how many miles of service you must have to pay for a certain repair?

Here is an example: The average life of a tire is 3500 miles, and these figures are based on this mileage. Some people get more than this out of a tire, some less, and the same variation will apply, of course when the tire is repaired.

A 34x4 Non-Skid tire costs in any good standard make about $40.00. Figured on 3500 miles of service that would be a little over $1.00 per 100 miles of service. To put a $5.00 repair in this tire you would have to get only 438 miles to pay for the repair.

To put a Non-Skid retread on a 34x4 tire costs $17.25. This makes the tire practically as good as new. But to pay for this retread you have to run the tire ONLY 1600 MILES.

We have never had a single, solitary non-skid retread to my knowledge, that has not run 2,000 miles—and 98 out of a hundred run 2,500 to 3,500 miles.

The cheapest miles of tire service you can get today, are in the tires you now have on your car. By having them properly rebuilt and repaired you will get more miles per dollar and your investment is much smaller.
